

Dr. Charles R. Drew Elementary School PTA and Baroody Camps Presents:

FALL 2019

AFTER-SCHOOL ENRICHMENT PROGRAMS

Welcome all students to a new and exciting enrichment session at Dr. Charles R. Drew Elementary! Starting this year, the PTA has partnered with Baroody Camps, Inc. (www.baroodycamps.com) to provide a wide variety of after school enrichment classes for students across all grade levels. In Northern Virginia, Baroody Camps has been providing summer camps since 2003 and after-school enrichment classes since 2014. The range and variety of classes offered will remain the same, however, what's new this year is we will have a dedicated on-site Enrichment Coordinator, who will oversee all enrichment activities at school every day. This will provide the much-needed oversight to our otherwise well-rounded enrichment program.

Please read the following pages of the catalog carefully for important dates, policies and procedures, and program descriptions. Additional copies of the registration catalog can be found at www.baroodycamps.com/find-your-school. Please contact Baroody Camps (info@baroodycamps.com) with questions or concerns.

It is imperative that you indicate the dismissal arrangements for your child on the registration form. Please note that it is not permissible to

be late for pick-up. If you are late more than two times, your child will no longer be able to participate in the program. Please be aware that school personnel will not be available at this time to supervise your child.

Changes to dismissal: Baroody Camps will provide each Drew teacher and each after-school programs Instructor with a list of children participating in the various after-school programs along with their dismissal instructions. You are responsible for notifying Baroody Camps of any changes to your child's regular dismissal process from his/her after-school program.

ON-SITE PROGRAMS COORDINATOR

To help manage children participating in the before and after-school programs, Baroody Camps will provide an On-Site Programs Coordinator. S/he is responsible for distributing & collecting attendance sheets, assisting program staff with behavior issues, assisting with dismissal, resolving any issues that may arise and quality control during programs. Additionally, the On-Site Coordinator is Medication Administration Trained & CPR/First Aid Certified.

STANDARDS OF BEHAVIOR

We want to ensure that all students participating in the after-school enrichment programs enjoy the experience. In order for this to happen, it is expected that all students will conform to regular classroom and school rules and regulations while attending a program. The providers are all experienced Instructors and will use accepted classroom management techniques to allow misbehaving children to adjust. If a child continues to have difficulties, he or she will be removed from the class and be placed with the On-Site Programs Coordinator who will decide if and when to return the child to class that day. The On-Site Programs Coordinator will also inform the parents about the situation. If a child is removed from a class a second time, that child will be withdrawn from that class for the remainder of the session. The School will be

informed of this decision. No partial refunds will be given in these situations. We look to all parents to support our class providers so that all children can enjoy the after-school classes.

SNACKS/ALLERGIES

At this time, snacks are **NOT** permitted during after-school programs.

If your child has a medical condition, allergy and/or asthma (serious or not), parents must indicate this on their child's registration form. If your child requires medication to be administered or stored, a Medication Form must be completed (posted at: bc-arl-drew.jumbula.com).
